Although 90% of our Gospel Literature is supplied absolutely FREE OF CHARGE to the mission fields of the world in over 562 indigenous languages at half a ton per day, our publications are also SOLD at cost price to those who require our literature in the more highly developed Western countries for their own use. THE REASON for this is that the donors who finance this mission do so specifically to enable us to translate, print and distribute the Gospel free of charge to the world's many still isolated and unreached tribes and communities. These funds with which we operate are therefore not used for any other purpose. The following is therefore a list of some of the publications which are available to you for your own specific use at cost price. Items marked with an asterisk * are our own publications

For our popular HEARTBOOKS and HEARTCHARTS (large poster-type set of 10 Heart pictures as used in our Heartbook), see page 6!!

ALL OUR GOSPEL TRACTS ARE HOWEVER ALSO AVAILABLE TO YOU FREE OF CHARGE as the Lord enables us to supply. Please just let us know the quantity you require and in which languages.
